4. Payment – by cheque please at the time of placing the order, made payable the “Lymm Photographic Society”. Cheques will not be cashed until the clothing is available (this is a safeguard the Society for the cost of the order should the member change their minds once the order has been submitted (at which time the Society is committed to paying the manufacturer). It will also safeguard the member as it demonstrates their commitment to pay for their order).
5. Whilst the Society will emphasise to the manufacturer that a timely delivery is required, the Society is not responsible for the length of time it takes for the order to be completed by the manufacturer.
